

Integration Matrix

When designing projects, units, lessons, or questions for high level thinking and differentiation, this chart may help organize your ideas.

Bloom's Taxonomy	Knowledge	Comprehension	Application	Analysis	Evaluation	Synthesis
<i>Gardner's Multiple Intelligences</i>	<i>tell, list, define, label, recite, memorize, repeat, find, name, record, fill in, recall, relate</i>	<i>locate, explain, summarize, identify, describe, report, discuss, review, paraphrase, restate, retell, show, outline, rewrite</i>	<i>demonstrate, construct, record, use, diagram, revise, reformat, illustrate, interpret, dramatize, practice, organize, translate, manipulate, convert, adapt, research, calculate, operate, model, order, display, implement, sequence, integrate, incorporate</i>	<i>compare, contrast, classify, critique, categorize, solve, deduce, examine, differentiate, appraise, distinguish, experiment, question, investigate, categorize, infer</i>	<i>judge, predict, verify, assess, justify, rate, prioritize, determine, select, decide, value, choose, forecast, estimate</i>	<i>compose, hypothesize, design, formulate, create, invent, develop, refine, produce, transform</i>
<i>Verbal/Linguistic</i> poetry, debate, storytelling, essay, checklist, journal						
<i>Visual/Spatial</i> drawing, model, poster, photograph, storyboard, illustration, board game						
<i>Logical/Mathematical</i> diagram, outline, timeline, chart, critique, graph						
<i>Naturalist</i> classification, collection, solution to problem, display, observation, forecast, investigation, simulation, exhibit, identification						
<i>Musical</i> song, rap, lyrics, composition, jingle/slogan, melody						
<i>Bodily/Kinesthetic</i> role play, skit, pantomime, dance, invention, lab, improvisation, prototype						
<i>Intrapersonal</i> journal, log, goal statement, belief statement, self-assessment, editorial						
<i>Interpersonal</i> discussion, roundtable, service learning, conversation, group activity, position statement, interview
