STUDENT RECORDS NOTICE

The Swallow School District maintains student records for each student attending school in the District. These records include: (1) **student progress records** – courses taken, grades, immunization records, extracurricular activities and attendance; and, (2) **student behavioral records** – psychological tests, personality evaluations, records of conversations, written statements relating specifically to an individual student's behavior, tests relating specifically to achievement or measurement of ability, physical health records other than immunization records, law enforcement agency records obtained by the District and any other student records which are not progress records.

State and federal laws require that the maintenance of student records assure confidentiality. Accordingly, the following shall apply in the District:

- (1) An adult student, or the parent(s) or guardian(s) of a minor student, has the right to inspect, review and obtain copies of the student's school records upon request in accordance with established District procedures. The District will respond to such requests without unnecessary delay. Copies of the District's student records procedures are available upon request at the School District Office,. A school official has a "legitimate educational interest" if the official needs to review a student record in order to fulfill his/her professional or District responsibility.

The District also, upon request, forwards a student's records to another school without consent in accordance with state law for purposes related to the student's enrollment or transfer. District procedures outline the specific reasons for disclosure without consent and are available upon request as outlined above.

- (4) An adult student, or the parent(s) or guardian(s) of a minor student, has the right to file a complaint with the U.S. Department of Education for alleged District noncompliance with federal Family Educational Rights and Privacy Act (FERPA) requirements. The name and address of the

office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5920.

Further, the School Board has designated the following student record information as directory data: student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, photographs, degrees and awards received and name of school most recently previously attended by the student. The District will not release directory data earlier than two weeks (14 days) after receipt of this notice or the opening of school.
