### Sample Ballot

(April 7, 2020)

OFFICE OF THE SWALLOW SCHOOL DISTRICT CLERK

TO THE VOTERS OF SWALLOW SCHOOL DISTRICT

Notice is hereby given of a spring election to be held in Swallow School District on April 7, 2020, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a referendum, if any, in the sample ballot below.

Office  
Member

Name of Candidate  
Peggy Moede

### INFORMATION TO VOTERS

Upon entering the polling place, a voter shall state his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If a voter is not registered to vote, a voter may register to vote at the polling place serving his or her residence, if the voter presents proof of residence in a form specified by law. Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall retire alone to a voting booth and cast his or her ballot except that a voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

### **DS200 Where Precinct Scanner and Tabulators are Used**

A paper ballot will be issued to each voter after signing the poll book. Voters will notice that they will no longer be connecting an arrow to select a candidate but will instead be filling in an oval. Once selections are made on the ballot, the voter will place the ballot into the DS200 machine for scanning. The machine will provide a message to the voter that their ballot has been counted.

### **Where Express Vote is Used**

Voters wishing to vote on the accessible ExpressVote equipment will be issued a blank ballot specifically designed for use in the machine. The voter will place the blank ballot into the machine to begin the voting process. Selections will be made on the touch screen and when all selections have been made, the voter will opt to print the ballot. Once printed, the ballot will be returned to the voter by the ExpressVote. The voter will then place the ballot into the DS200 machine for scanning.

### **April 2020 Elections Polling Locations**

All voters in Wards 1-14 will vote in the Hartland Community Center, 100 E. Park Avenue, Hartland. Polls will open from 7:00 to 8:00 pm.
